Dear Student

Thank you for your interest in Thomas Mills High School Sixth Form. We hope you found the experience of our recent Open Evening useful.

We would like to invite you and your parents to our Sixth Form Experience Morning on Tuesday 15 January 2019 from 9:30am to 12:10pm. This morning is particularly useful to students who currently attend a school without a Sixth Form. It is a valuable opportunity to experience our Sixth Form in action. During the morning you will have the chance to speak to myself and other members of the Sixth Form Team. We will also arrange for students to take part in lessons (Year 12 and Year 13), to tour the school and to meet current Year 12 and 13 students. If your parents would like to have a tour of the school, they are very welcome to come with you and this will be arranged.

Please complete and return the attached form by Thursday 10 January showing the lessons you would like to attend. We will then arrange a detailed programme for your morning with us. We have tried to offer a wide range of activities but hope you understand that we are unable to offer the full range of lessons because they may not appear on the timetable during the course of your visit. If you have any particular questions about subjects, please note them on the form and we will endeavour to answer them during the time you are with us.

Given the personalised nature of the experience morning we can only accommodate a limited number of students and places will be allocated on a first come, first served basis. Should there be exceptional demand we will endeavour to provide an alternative date before applications are due.

We look forward to meeting you soon.

Yours sincerely

A G Cann
Assistant Headteacher
Head of Sixth Form
