

# THOMAS MILLS HIGH SCHOOL

a DfE-designated Academy

Saxtead Road, Framlingham, Suffolk, IP13 9HE  
Telephone : 01728 723493 Fax : 01728 621098

Headteacher : P J Hurst, BA, MA, MBA, NPQH

Dear Parents,

Further to our letter before Christmas we write again to remind you about the ongoing consultation into home to school transport by Suffolk County Council. The following groups would be most affected by the change:

- If you live in the south of the school's catchment in or close to Wickham Market and receive a bus pass.
- Pupils intending to join the sixth form at TMHS and require subsidised travel in order to attend.
- If you live in the west of the catchment or just outside the catchment and currently receive a bus pass.
- If you live out of catchment and currently pay SCC for a bus pass under the spare seats policy.

The consultation website has a postcode tool that allows you to see if you would be affected by the proposed changes:  
[www.suffolk.gov.uk/schooltravel](http://www.suffolk.gov.uk/schooltravel)

The council will be holding events next week and we again attach the communication from the council to this letter. If you believe you will be affected or would like to express your views because of the potential wider impact on the school we would urge you to attend one of these events.

If you have any comments that you would like to be included in the school's formal responses please email these to:  
[inmail@thomasmills.suffolk.sch.uk](mailto:inmail@thomasmills.suffolk.sch.uk)

Following the events, we will write again outlining the school's formal responses to the consultation.

Yours sincerely,

P Hurst, Headteacher

G Christie, Chair of Governors

## LETTER FROM SUFFOLK COUNTY COUNCIL

Dear Parent

### Have your say on the home to school and post-16 travel consultation

On 12 December 2017 Suffolk County Council launched a consultation on proposals to change school and post-16 travel policies. The consultation will run until Wednesday 28 February 2017.

This is an extremely important consultation as we currently spend £21 million per year getting children to and from school. For some time, we have been concerned that if action isn't taken costs will continue to rise and this isn't something we can afford to happen. We are therefore consulting on changing our school and post-16 travel policies.

The council's current school and post-16 travel policies go above what we are legally required to provide but the consultation centres around bringing Suffolk in line with legal requirements. The consultation seeks views on options to change the school and post-16 travel policies and includes three alternative options, pre and post-16:

**Option 1:** In September 2019, change the school travel policy so that it is in line with the legal requirements. This would mean implementing all the changes in one go, including ceasing free travel to the transport priority area schools where it is not the pupils' nearest.

**Option 2:** From September 2019, introduce the changes year by year as a child joins or moves school so that it is in line with legal requirements. This means that we would introduce all the changes on a phased basis.

**Option 3:** Make no changes to the school travel policy but make savings from other services provided by Suffolk County Council.

Suffolk County Council are also asking for feedback on several other matters, including using Rights of Way in terms of distance measurement for school transport assessment and eligibility.

Views are also sought on a menu of local solutions, which the county council has developed with a range of schools during the pre-consultation phase: Local solutions could help reduce the cost of transport and some of the impact of any policy changes. Helpful information on the local solutions can be found [www.suffolk.gov.uk/schooltravel](http://www.suffolk.gov.uk/schooltravel)

More information on the consultation including these options and post-16 proposals can be found in the consultation document, this can be viewed on Suffolk County Council's website: [www.suffolk.gov.uk/schooltravel](http://www.suffolk.gov.uk/schooltravel)

**How to respond to the consultation:**

The consultation questionnaire can be completed online at: [www.suffolk.gov.uk/schooltravel](http://www.suffolk.gov.uk/schooltravel)

Alternatively, PDF version can be downloaded from the website, completed and returned to: Suffolk County Council – school and post-16 travel consultation, Endeavour House, 8 Russell Road, Ipswich, Suffolk IP1 2BX.

You can also attend a consultation workshop in the following locations to find out more and ask questions. To book your attendance at a workshop go to: [www.suffolk.gov.uk/schooltravel](http://www.suffolk.gov.uk/schooltravel)

Venue	Room	Date	Time
<b>Kesgrave Conference Centre</b> <i>Twelve Acre Approach, Ipswich IP5 1JF</i>	Orwell Room	16 January 2018	19:00 - 20:30
