to ensure that all our students,
irrespective of ability
and regardless of anyone's doubts,
achieve their potential in full;
and we aspire in this way to make Thomas Mills High School
the best in the country.*

Thomas Mills High School is an Academy and a company limited by guarantee incorporated in England & Wales under number 7605059

Context

This plan seeks to address the statutory requirements of the Equality Act 2010 (which replaces the Disability Discrimination Act 1995) and to further the aims of our Vision Statement by:

Continuing to improve all aspects of the physical environment of the school site and other resources so that all disabled pupils can take full advantage of the education and associated opportunities provided by the School.

Definition (Equality Act 2010)

“A person has a disability if he or she has a physical or mental impairment that has a substantial and long-term adverse effect on his or her ability to carry out normal day to day activities”

School developments:

Accessibility is considered in all school developments and refurbishments. For example, recent grant applications to refurbish toilet facilities aim to provide not only improved disabled facilities but also a number of ambulant disabled cubicles within traditional toilet blocks.

Maintenance and renewal:

To ensure that these developments do not fall into disrepair all improvements made under this Accessibility Plan will be built into the regular checks of the Premises Manager and Business Manager.

Curriculum delivery:

The School’s Vision Statement and SEN Policy make clear the School’s approach to the delivery of the curriculum. The School actively seeks the support and advice of all relevant services to ensure the curriculum is accessible to all students. Relevant modifications to the delivery of the curriculum are negotiated on an individual basis as required.
